INT. LIVING ROOM - MORNING

Two young kids, BROTHER (7 y.o.) and SISTER (5 y.o.) are kneeling on the couch in front of the living room window.

It's RAINING outside.

The kids sigh.

Their MOM pokes around the corner and sees them pouting.

MOM

Maybe you can do something together today.

Brother and Sister look at each other dubiously.

Then he grabs the second box and pours it in too!

SISTER (CONT'D)
(surprised)
Together?

Mom pokes her head around the corner.

MOM
What are you guys doing in there?

BROTHER
Just having some breakfast!

Sister covers her mouth and giggles.
